February 11, 1970

Friends of Columbia United Fund:

Once again it is time for reflection upon the activities of your United Fund in the past year.

It is with both pleasure and disappointment when we take a look at the record. This year's campaign topped $200,000.00 for the first time in Columbia United Fund history and exceeded by over $20,000.00 the previous high. Of this we are proud.

On the other side of the coin, this year we took the position of not being satisfied with anything less than meeting the Human Needs Goals of each of our agencies. An important first step has been taken, but the real task is still before us. Hard work and greater community cooperation and support is essential for future success.

We are deeply indebted to the dedicated campaign workers and to the people of Columbia for their generosity in making possible the achievements of the past year.

Sincerely,

Harry E. Burge, President
Columbia United Fund
