About the Program:
Give 5 is an innovative, free, community-based program designed for Boone County residents. The program matches participants with nonprofit organizations addressing our city's primary areas of need.
It helps to establish purpose and meaning in retirement and provides retired baby boomers with the opportunity to go behind the scenes of Columbia's most interesting nonprofit organizations.

Give 5 provides opportunities for individuals to visit more than 20 organizations, getting a “taste test” of volunteer opportunities and in understanding of the needs these organizations address. Over five program days, classmates are given a “taste test” of volunteer opportunities.

Give 5 began in Springfield, MO. In the program's first year alone, Give 5 volunteers provided an estimated $300,000 in time value to Springfield and Greene County nonprofit organizations.
